

A continuación se expone un listado en orden alfabético de todos los parlamentarios españoles en las Cortes Generales (Congreso y Senado) y en el Parlamento Europeo desde 1977 hasta la actualidad. También se incluyen a ministros y a presidentes de Comunidades Autónomas.

Cada parlamentario va acompañado de su historial en forma de una lista de cuaternas entre corchetes ([]) con la siguiente estructura: [L C Cir P], donde

L = Legislatura (en números romanos)

C = Cargo (D = Diputado, S = Senador, E = Eurodiputado)

Cir = Circunscripción (Se usan los distintivos provinciales de las matrículas de los vehículos tal y como eran en 1977, así Girona sería GE y no GI, p.ej., las CC.AA. se representan con los siguientes acrónimos: AN Andalucía, AR Aragón, AS Asturias, IB Baleares, IC Canarias, CB Cantabria, CM Castilla-La Mancha, CL Castilla y León, CT Cataluña, CV Valencia, EX Extremadura, GA Galicia, MD Madrid, RM Murcia, NV Navarra, PV País Vasco y RJ Rioja y se usa ES España para representar la circunscripción única del Parlamento Europeo.

P = Partido

Asimismo, también figuran otros méritos como ser miembro del gobierno, presidente autonómico o miembro de las mesas del Congreso y del Senado.

Las claves para todos estos cargos son las siguientes:

PG = Presidente del Gobierno, VPG = Vicepresidente del Gobierno, M= Ministro, PA = Presidente Autonómico.

Los ministerios* son:

E = Exteriores, GJ = Justicia, D = Defensa, H = Hacienda, G = Interior, F = Fomento, IP = Educación, T = Trabajo, I = Industria, A = Agricultura, V = Vivienda, C = Comercio, P = Presidencia, Ec = Economía, Tt = Transportes, S = Sanidad, Cu = Cultura, R = Admón. Territorial, RC = Relaciones con las Cortes, Eu = Europa, U = Universidades, AP = Admones. Públicas, AS = Asuntos Sociales, MA = Medio Ambiente, CI = Ciencia, IG = Igualdad, CO = Consumo, SS = Seguridad Social, S/C = Sin Cartera.

*Estos nombres pueden sufrir alguna variación con los distintos gobiernos, pero sus competencias suelen ser muy similares.

Además, antes del nombre y apellidos de cada parlamentario, existe una terna de números (en formato DSE) donde se especifican el

número de legislaturas en las que un parlamentario ha sido diputado, senador o eurodiputado respectivamente.

Estas cifras van en notación hexadecimal. Así, p.ej., Gil Lázaro que tiene un A10 significa que ha sido diputado en 10 legislaturas (10 es A en hexadecimal), senador en una y no ha sido eurodiputado.
